

# Widest Variety of Bins, Totes & Containers available on-line!

**Economy Plastic Bins:** Replace worn out corrugated bins permanently with these tough, high density, durable plastic bins. Our "economy" plastic bins are the industry standard for quality. These strong polyethylene bins feature a molded in label holder, built-in rear hang-lock which allows bins to tilt out for complete access. A wide hopper front allows complete access to the contents.

Edges are reinforced for added strength. They are designed for 12", 18" and 24" deep shelf units, racks or standard shelves. Replacement bins are waterproof, resistant to most chemicals and unaffected by grease or oil.

**Dividers** - Optional dividers fit snugly, horizontally across all bins and are uniquely designed to allow for easy part labeling via individual label slots.

Colors available to order on-line are **Blue, Yellow, Green, Red, Ivory and Black.**

**Economy Shelf Bins** are available in all sizes & colors on-line at **QuantumBins.com**
