Toughest bins MAGNUM Bins in the business!

Magnum Bins – The Toughest Bins in the Business!

Heavy duty, extra strong injection molded, high-density polyethylene bins are ideal for transportation and storage of large and heavy parts. Open hopper front allows immediate access and visibility. Ribbed reinforced walls ensure ultimate strength. Double wall thickness with preformed lip allows bin to interlock and provides up to 150 lbs. stack capacity. Transport these bins easily with rear-molded handle. Impervious to most solvents, corrosion, rust and rot resistant. Resists temperatures from -40°F to 250°F. Optional window maximizes storage and prevents spillage. Colors available here on-line are **Blue, Yellow, Green, Red and Black**.

Magnum bins are available in all colors on-line at **QuantumBins.com** or call **(866) 654-4808**
